"MY SHEEP Hear My Voice" (workbook and MP3) is a **self-study program** designed to encourage both personal and corporate spiritual growth through **systematic Bible study.** It is through the Scriptures that we learn about God: who He is, His character, His work, His plan for the Church, and for our lives. In the Gospel of John Jesus Christ speaks about following Him as the Shepherd, using the illustration of sheep knowing the voice of their shepherd and following him. The primary means of developing a personal relationship with God, whereby we can learn to hear His voice, and follow Him, is by becoming better acquainted with Him through His Word - the Bible.

This study program includes 20 lessons divided into two parts:
Part 1 (lessons 1-8) is primarily an overview of the Old Testament. It begins with God Himself, then unfolds His plan and purpose as He works in and through the lives of people. The main characters and themes foundational to further Biblical understanding are presented in a clear and understandable manner.

Part 2 (lessons 9-20) is primarily a New Testament study and presents the foundations of our faith: the nature of sin, the death of Christ on the Cross, water baptism, an introduction to the Holy Spirit, prayer and the Church. Other lessons include themes about family, children, finances, work. These lessons can be used as a tool for personal study, for small groups, or as a more comprehensive foundational course in the church.

The *kind* of material presented here is of utmost importance for laying proper foundations of faith and practice in the lives of believers individually, and in the life of the church corporately. As we are strengthened, encouraged and established in our own faith, we are more able to share the Gospel of Christ with others in a more clear, convincing and understandable manner. Proper personal application of the material presented will prepare the way for God to bring blessing, healing and wholeness in all areas of our lives and relationships - faith, family, finance, job, etc. It is this blessing and wholeness that then gives us the testimony and authority to be light and salt in a world that is broken and needy.

For those interested in a more in-depth knowledge of the Scriptures, and a more intimate relationship with God, we invite you to begin a systematic study with "MY SHEEP Hear My Voice."
